

One Phone Call Could Make You Easy Money!

In American Benefits Corporation's **AGENT REFERRAL REWARDS PROGRAM**, you can earn cash for every case issued by an agent you refer for an entire year! The number of agents you refer is unlimited! Here's how it works:

Call American Benefits with the names and phone numbers of agents who write health and/or life insurance. You may also go online to make these submissions at our website, www.abc-insurance.com, or you can print out the Agent Referral form to mail or fax to us.

We'll contact your referral with all the advantages of working with American Benefits Corporation. We'll put our team of experts to work on helping your referral earn cash for you!

Agent commissions - yours or your referral's - are not reduced to pay your override.

This program offers agents an incredible potential to earn fantastic bonuses with very little effort. In American Benefits Corporation's Agent Referral Rewards Program, five minutes of your time could be worth a lot more than you think!
